# Welcome NEW 8(a) Business Development Firms

The federal government's goal is to award at least five percent of all federal contracting dollars to small disadvantaged businesses each year. To help provide a level playing field for small businesses owned by socially and economically disadvantaged people or entities, the government limits competition for certain contracts to businesses that participate in the 8(a) Business Development program. # EIDL Updates

The SBA Office of Disaster Assistance has started issuing Q & A's, related to EIDL loans. Please see below for latest...

*1. My Economic Injury Disaster Loan (EIDL) was approved but the amount was lower than I was expecting, why is it lower?*

We had to make a difficult decision to limit loan amounts to ensure the program reaches as many small businesses as possible. SBA may be able to further assist you with funding through our Paycheck Protection Program (PPP), which provides up to 8 weeks of forgivable loan funds to cover payroll, as well as mortgage interest, rent and utility costs. We encourage you to visit [sba.gov/paycheckprotection](https://sba.gov/paycheckprotection) to obtain more information about PPP loans.

*2. I read that the EIDL program provides up to \$2 million per loan. Will it be possible to increase my loan amount?*

Historically, the maximum amount of EIDL assistance is 2 million dollars. During these unprecedented times and given our current funding levels we do not expect to increase loan amounts for the EIDL program.

## EIDL Application #s with "200" / Still Only Open to Agricultural Businesses

Currently EIDL portal is still only open to agricultural businesses.

Any applicants who did not apply in the new portal with an application number starting with a "2" are being asked to reapply NOW in the new portal currently live for agricultural businesses only in order to update their application and to obtain an application number that starts with a "3". SBA advises that doing so will not adversely impact the original application and its queue. If you are one of these businesses with an EIDL # startin with "200" please email us at: [MassachusettsDO@sba.gov](mailto:MassachusettsDO@sba.gov) and we can try and help.

## PPP Frequently Asked Questions

Visit [Treasury.gov](https://www.treasury.gov) and [SBA.gov](https://www.sba.gov) regularly to stay up-to-date on the latest guidance being released. [PPP Guidance Page](#)

For example, the [Frequently Asked Questions document](#) continues to regularly update, check out the latest answers...

**Question #47:** *An SBA interim final rule posted on May 8, 2020 provided that any borrower who applied for a PPP loan and repays the loan in full by May 14, 2020 will be deemed by SBA to have made the required certification concerning the necessity of the loan request in good faith. Is it possible for a borrower to obtain an extension of the May 14, 2020 repayment date?*

**Answer:** Yes, SBA is extending the repayment date for this safe harbor to **May 18, 2020**, to give borrowers an opportunity to review and consider FAQ #46. Borrowers do not need to apply for this extension.

**Question #45:** *Is an employer that repays its PPP loan by the safe harbor deadline (May 14, 2020) eligible for the Employee Retention Credit?*

**Answer:** Yes. An employer that applied for a PPP loan, received payment, and repays the loan by the safe harbor deadline (May 14, 2020) will be treated as though the employer had not received a covered loan under the PPP for purposes of the Employee Retention Credit. Therefore, the employer will be eligible for the credit if the employer is otherwise an eligible employer for purposes of the credit.
