**Disclaimer:** All images and forms obtained by the Massachusetts Film Office will become sole property of the Massachusetts Film Office and will not be returned. By sending pictures of your property, you agree that the Massachusetts Film Office can post them on their website and make them available for viewing by filmmakers and/or the viewing public. The Film Office does not guarantee that your property will be contacted or used in current or future productions. If your property has undergone significant renovations, please send us new pictures so we can update them. Property will be selected by individual film production companies. Please note: for personal residences, we do not make public your address or contact information so that interested parties have to call us. This gives us the ability to vet the inquiry to ensure your safety.
